

Village of Hamler, Ohio and Henry County Commissioners
Wastewater Treatment Lagoon Expansion

ADVERTISEMENT FOR BIDS

Sealed Bids for the Village of Hamler, Ohio and Henry County Commissioners, Wastewater Treatment Lagoon Expansion, will be received by the Village of Hamler, Ohio, at the Village Office, 500 East Hubbard Street, Hamler, Ohio, 43524, until 9:30 AM, local time, on November 7, 2023, at which time they will be publicly opened and read.

In general, the work consists of: Construction of two new lagoon cells with approximate surface area of 5.4-acre. The lagoons will be an earthen embankment from a balance cut fill of material in site. The new lagoon cells will include piping between the new and existing lagoon cells, installation of new influent force main, rock ring, seeding, and mulching. The project also includes rehabilitation of the existing two lagoon cells. The lagoons will be dewatered, accumulated sludge removed and disposed of in accordance with Ohio EPA requirements, and lagoon bottom will be excavated deeper by approximately 18 inches. The lagoon outfall structure and piping will be replaced and a new rock ring, seeding, and mulching. The project includes construction of an aerated nitrification chamber for removing ammonia which includes a cast-in-place concrete structure, two positive displacement rotary type blowers, air piping, and air distribution system. New precast concrete effluent control structure and metering assembly will be constructed adjacent to the lagoon cells. The existing tablet chlorination and dechlorination system will be removed and relocated on the site with necessary piping. Miscellaneous appurtenance such as, perimeter fencing with gates, effluent sampling equipment, and new electrical power service with power distribution equipment on the site. Alternates are included for the Owner's consideration, such as a maintenance building, replacement of the effluent sewer to the Turkeyfoot Creek, stone access driveway, prefabricated shed for effluent meter, and sampling equipment.

The issuing office is Jones & Henry Engineers, Ltd., 3103 Executive Parkway, Suite 300; Toledo, Ohio, 43606; 419-473-9611. Copies of the Bidding Documents may be examined at the Owner's office listed above without charge.

Technical questions regarding the project should be e-mailed to the Project Manager, Kyle M. Brueggemeier (kbrueggemeier@jheng.com), at Jones & Henry Engineers, Ltd.

Copies of Bidding Documents and Contract Documents may be obtained electronically from www.jhplanroom.com. There is no charge to download from the digital print-room; however, registration is required. If hard copies of the bidding documents are needed, they can be ordered from the print room for a fee. If you have any problems using the digital print room, you are encouraged to contact either the Engineer's Project Manager, or Eastern Engineering at 419-661-9841.

Neither Owner nor Engineer has any responsibility for the accuracy, completeness or sufficiency of any bid documents obtained from any source other than the source indicated in these documents. Obtaining these documents from any other source(s) may result in obtaining incomplete and inaccurate information. Obtaining these documents from any source other than directly from the source listed herein may also result in failure to receive any addenda, corrections, or other revisions to these documents that may be issued.
